

CAMPING INFORMATION

The new semester has arrived and it brings with it old and new friends. What better way to celebrate than to spend a weekend together in the Black Forest ;)

SOOO... we would like to invite you to join us on this year's winter camping.

When?

27.10.17 - 29.10.17

Where

In the wonderful campground "Schindelhaus Weißenbach" in Schönwald im Schwarzwald. We have booked the entire camp site which consists of a hut, campfire place, and space for tents.

What?

As per tradition, the winter camping takes place at the start of the winter semester to welcome the new members of the program and to (re)unite the cohorts for a weekend of relaxation, exploration, music, games and fun. The camping weekend is completely student organised. Breakfast for Saturday and Sunday + Saturday lunch and dinner are included in the cost in addition to snacks and drinks (beer, wine, juice, soda, coffee) for the entire weekend. Please remember to bring dinner for Friday and any other snacks/drinks that you want.

How to get there?

Campsite's Address: Weißenbach 13, 78141, Schönwald im Schwarzwald.

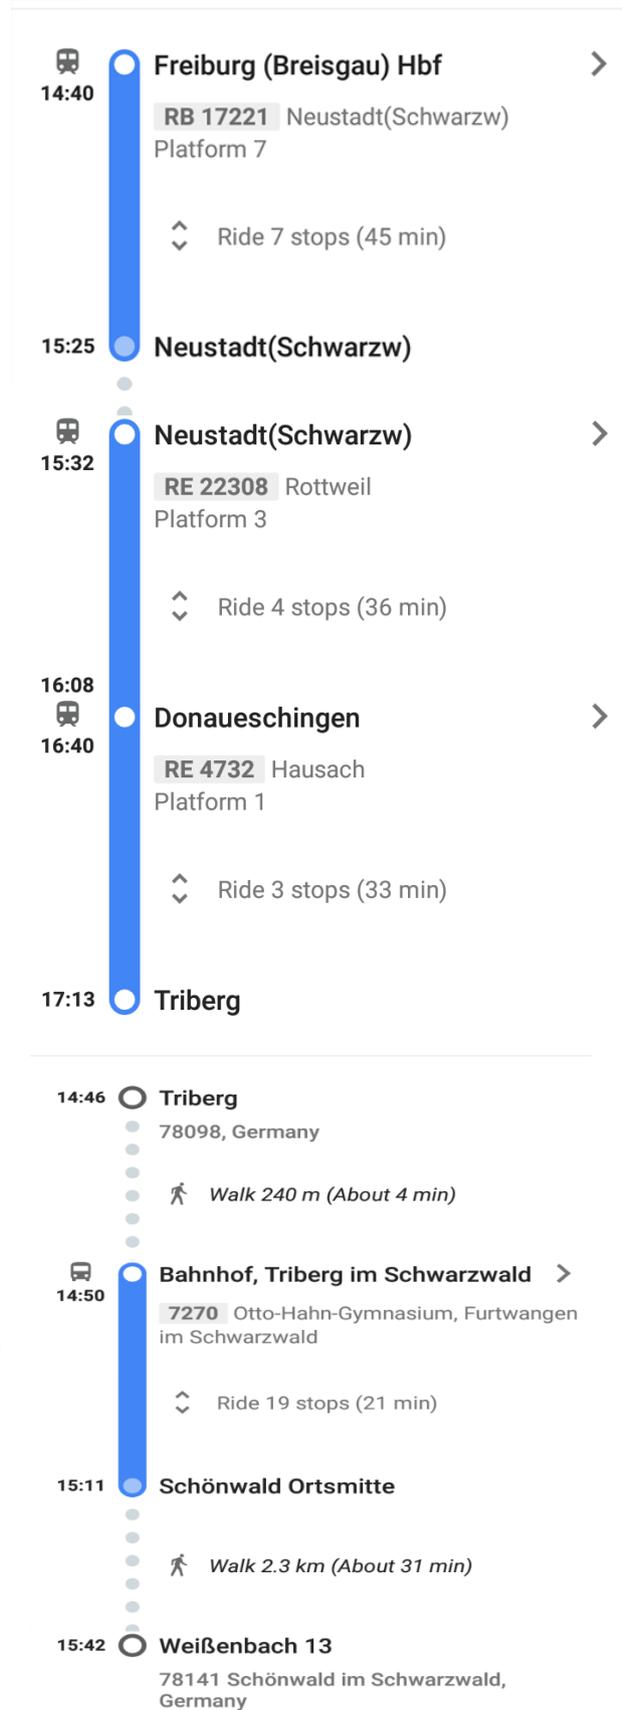

Traveling by train:

The trip is in 2 parts: Train from Freiburg Hbf to Triberg Station followed by a bus to "Schönwald Ortsmitte". Once there, there is a walk to the campsite. The station is outside the SemesterTicket Zone, so the recommended option is finding a group and buying the Baden-Württemberg-Ticket:

IMPORTANT NOTE: We have space for about 50 or so participants in the hut (we will try to accommodate as many people as we can). However, those who would like to put up tents, sleep outside and have warm enough sleeping bags should state so in the registration form so that we can have as many participants as possible. IF you do not have a tent but are still interested in camping, we have the possibility of renting tents from the campsite as well. **Nonetheless**, you will get an update before the camping regarding this issue if you should bring along your tents.

Here are short descriptions about the task of each group:

Breakfast Saturday & Sunday:

Organize and buy ingredients for the breakfasts. From bread to coffee. Please make it vegetarian and offer a vegan option.

Lunch Saturday:

Organize lunch (think of a nice dish and coordinate the cooking). If possible vegan, if vegetarian, think of a vegan option. Utilities such as pots etc. are provided. You will work with your group and other helpers to prepare the meal as a team.

Dinner Saturday:

Same system as the Lunch group
